

Description

T-shirt, 50% combed cotton / 50% polyester, 180 gr/m², single jersey, ladies fit with short sleeves, shoulders with a double layer of fabric for extra reinforcement and half moon, V-neck with 1x1 rib and antimicrobial finish.

Sport grey: 85% combed cotton / 15% viscose. Sport grey is a melange colour.

The T-shirt provides UV protection according to the certification standard EN 13758-2:2003 + A1:2007, with a UPF rating of 40+. This protects the wearer against UV radiation (UVA + UVB) from the sun. PLEASE NOTE: The protection only applies to the parts of the body covered by the T-shirt.
