

Description

PLEASE NOTE: This SANTINO Advance style has a Comfort Fit, which is roomier than the Regular Fit in the SANTINO collection. Long-sleeved poloshirt, 50% polyester / 50% long-fiber cotton, 220 gr/m², pique, comfort fit with polo rib collar and 3-button closure, long sleeves with ribbed cuffs, 1x1 ribbed hem, side seam slits and extended back panel, shoulders with a double layer of fabric for extra reinforcement, half moon and antimicrobial finish. (Sport grey is melange: 85% combed cotton / 15% viscose).

The polo shirt provides UV protection in accordance with certification standard EN 13758-2:2003 + A1:2007, with a UPF 40+ rating. It protects the wearer against the sun's UVA and UVB radiation.

Please note: The polo shirt only protects the parts of the body that are covered by the garment.
